Wren,

The maps we typically depend are the ones such as the one below that Ruben pulled directly from the state website. We can work with SF if there is more specificity needed.

Ruben has left for the week. Is there anything specific that is needed?

Maria

Great. We just need to provide copies of maps so SF can produce.

From this LDEQ webpage you can get information on each specific site by clicking on the site of interest:

<http://www.deq.louisiana.gov/portal/tabid/2475/Default.aspx>

Basic information on the 3 LDEQ fixed sites nearest Geismar is below.

---

To see the **actual available online data** go to:  
<http://www.deq.louisiana.gov/portal/DIVISIONS/Assessment/AirFieldServices/AmbientAirMonitoringProgram/AirMonitoringData.aspx>

Click on the "site data" tab and select the monitor of interest from the pull-down list and date for which data is desired.
